My dear Mrs. Manley:-

I received your order

for placards, but you did not state where the game is to be played.

I am taking it for granted that you are playing the Red Caps in Daytona Beach, because you stated to me that you are going to train in Daytona Beach. So I am going ahead with them. I will hold up until Monday. If the game is played at Jacksonville give me a call at the Shop, RITTENHOUSE 5278. If I'm not in there leave a message with the girl.

^{ORDER} Please let me know if you have any blanks left. If not, I'll send you some. You shall get your Blotters with schedules sometime next week.

Let me know when you leave for the South - also some of your outstanding players.

Sincerely

Mike

P.S. - Please file away my home phone number. DELAWARE 8522 - You can get me any morning from 8 to 12 noon.
